I am indeed pleased and proud to be the principal of John Burroughs Senior High School. There are over some four hundred public high schools in our state. They all have similar facilities — classrooms, cafeterias, auditoriums, athletic fields, etc. What makes them different are the people inside. We at John Burroughs, are blessed with an outstanding staff and an exceptional student body. This, with the support of parents and the Board of Education, make Burroughs one of the top high schools in the state. As a result, our academic, vocational, and extra curricular programs are the envy of many.

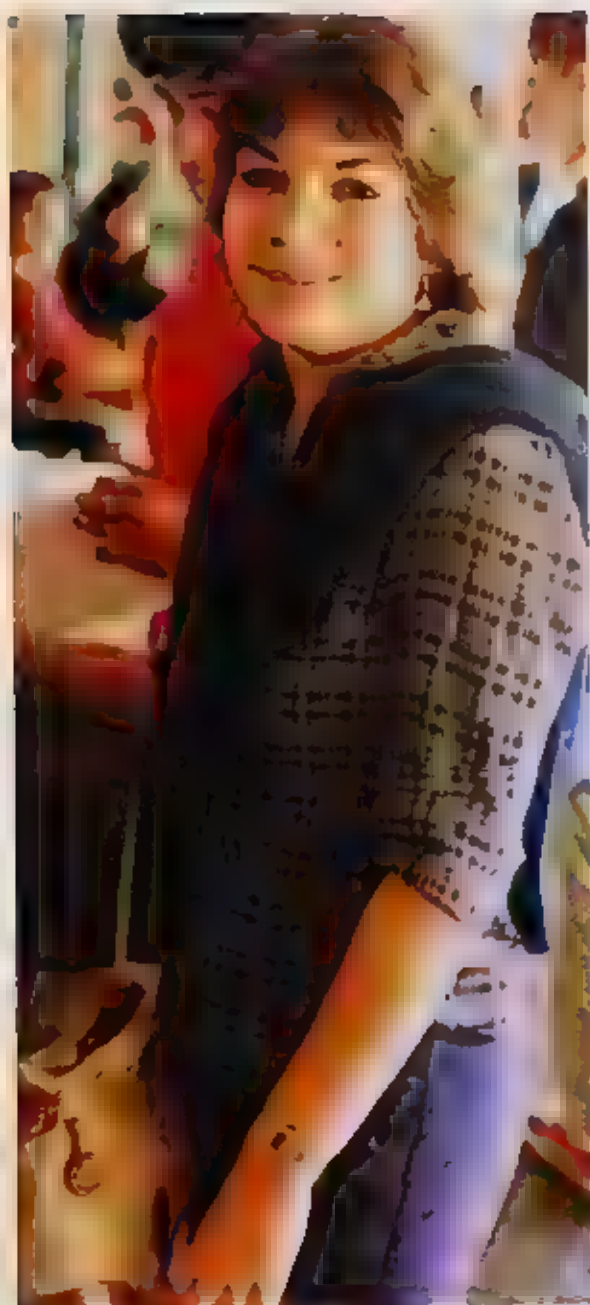

You should be proud of the fact that you are members of the John Burroughs High School student body.

SENIORS

The first of the four photos is a portrait of a young woman with short, dark, wavy hair, smiling at the camera. She is wearing a dark jacket over a light-colored shirt. The background is slightly blurred, showing some foliage and a building.

The second photo is a full-body shot of the same woman standing outdoors on a grassy area. She is wearing a light-colored, short-sleeved shirt and dark pants. She is holding a small object in her right hand and has her left hand on her hip. The background shows trees and a building.

The third photo is a close-up of the front of a white car. The car has a black grille with two round headlights. The license plate is visible and reads "WJG 133". The car is parked on a paved surface.

The fourth photo is a portrait of the same woman, similar to the first one, but with a different background. She is wearing the same dark jacket and light shirt. The background is more blurred, showing some foliage and a building.

Social Studies Students Visit the Legislature in Washington D.C. Students from B. Thayer High School and Burroughs enjoyed a rare opportunity to watch democracy in action in the nation's capital. The Up program made it possible for 13 students, accompanied by teachers, to visit the U.S. Capitol, meet with senators, representatives, congressmen and congresswomen and to gain first hand experience in the legislative process.

JBHS FROSH-SOPH FOOTHILL LEAGUE CHAMPIONS 1982-83

This year's Girl's Basketball program progressed a long way — adding a Soph-Fresh team and sponsoring Burbank's first Girl's Basketball Tournament. The third team was very successful and provided younger girls with a chance to play this season. In the tournament, the Varsity and Junior Varsity lost to Muir in the championship game, 58-57 and 33-26, respectively.

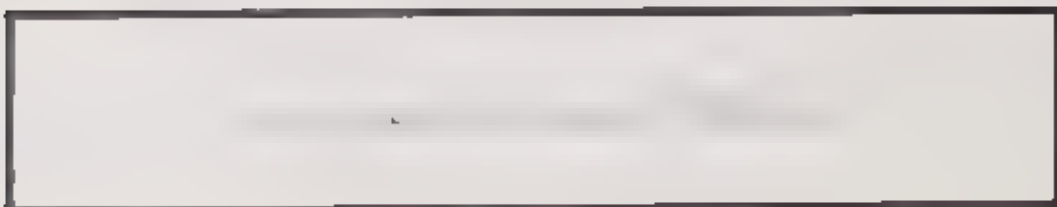

This year's Foothill League consisted of four new schools — Hart, Alhambra, San Gabriel, and Schurr, as well as Burbank and Burroughs. Preseason was fairly successful. The Tribe finished second in two tournaments while compiling an 8-3 win-loss record and ended the first round by beating Burbank 48-46 in overtime and Schurr 64-51. During league season, Hart's strong team proved to be the major obstacle. Three girls made All-League this year. Kim Peppi made first team for the third straight year. Doreen Jensen made the second team and Terri Tinnell made the third team.

When we first started playing soccer, we were a bit out of sync. But as we played more games, we began to find our rhythm. We learned to work together, to pass the ball, and to defend our goal. It was a lot of fun, and we were proud to represent our school. In the following game, we played against a team from another school. We were a bit nervous, but we knew we had to win. We played hard, and we won the game. It was a great feeling, and we were proud to represent our school. In the following game, we played against a team from another school. Pooled Efforts

John Burroughs High School had more individuals out for swimming this year than ever in its history. Emerging into a new league with tough, competitive teams, the swim teams did an admirable job this year.

For the girls, returning "Swimmin' Women," Valerie Powers (distance freestyle), Helenka Wormer (sprint freestyle), and Melany Robertson, (backstroke) formed the core group. New members, Evelyn Balesteros, Veronica Pledge, Janet Eoff and Charlene Leduce rounded out a strong Varsity team.

For the guys, returning record holder Joe Hunziker, distance man Chris Bieber, flyer Brian Brunck, backstroker Scott Rush, breaststroker Jay Barnes and freestyler Brett Riddle were the Senior powerhouses of the team. Sophomore talents Brian Sharpey, Sean Turner, Adrian Spiga, and Brent Ellingwood filled out our Varsity squad.

Outstanding performances by Minesh Patel, Rose Parcels, David Wang, Liz Leifeste and many others put our JV teams on the map. They will be our strength in years to come. JBHS Aquatics is on the way!

The first and most important thing
 to remember is that the
 first step is to find out
 what the problem is. This
 can be done by asking the
 person who is having the
 problem what the problem
 is. This is the first step
 in the process of solving
 a problem. The next step
 is to find out what the
 cause of the problem is.
 This can be done by asking
 the person who is having
 the problem what they think
 the cause of the problem
 is. This is the second step
 in the process of solving
 a problem. The third step
 is to find out what the
 solution is. This can be
 done by asking the person
 who is having the problem
 what they think the solution
 is. This is the third step
 in the process of solving
 a problem. The fourth step
 is to find out what the
 result is. This can be
 done by asking the person
 who is having the problem
 what they think the result
 is. This is the fourth step
 in the process of solving
 a problem. The fifth step
 is to find out what the
 conclusion is. This can be
 done by asking the person
 who is having the problem
 what they think the conclusion
 is. This is the fifth step
 in the process of solving
 a problem.

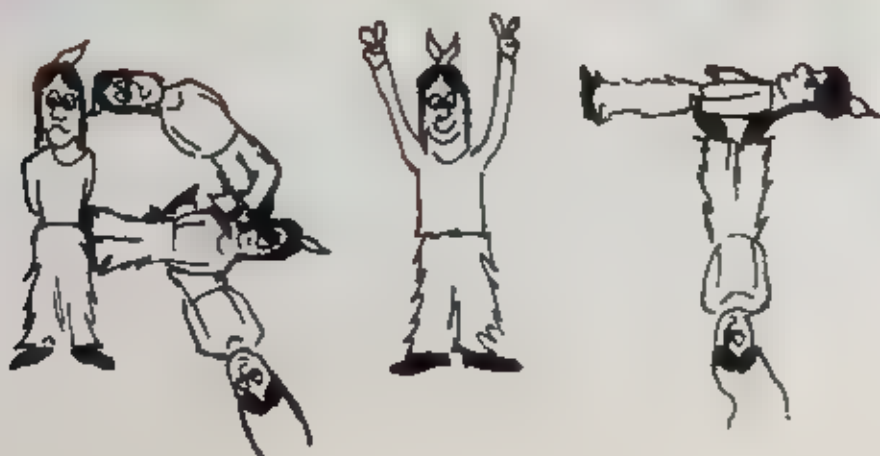

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow \infty$. It is shown that the solutions of the system (1) tend to zero as $t \rightarrow \infty$ if and only if the matrix A is stable.

INDIAN PRIDE

Mascot (1) Hortencia Diaz and Mascot (2) Chris Yan represent John Burroughs High School Indians. Both mascots went to the U.S.A. Cheerleader Camp last summer. Our mascots attended most of the games, and were in charge of getting the crowd fired up. As mascots, Hortencia and Chris helped make up various routines to promote school spirit. They organized the "Spirit Olympics" which was a competition between the sophomores, juniors and seniors. The contests consisted of an ice cube race, an ice cream eating contest, and the most popular one of all, the refrigerator run. Prizes were awarded to the most spirited individuals. "The reason we have these activities," said the mascots, "is to let everyone feel that they can be part of the student body and that they can express their feelings more when they get involved." As mascots and members of the John Burroughs Pep Squad, Hortencia and Chris have fulfilled various duties as an act of love and appreciation for their school.

UP THE STAGE

[illegible]

For my English name was echoey
and the German name Septimian
was not. I was seen as a Jewish
boy especially. He told himself that
the Jewish Government was a threat to
him. "I'm a German myself," he in-
sisted, "Germans will not be taken in
with that Jewishness", and then for-
gave his brother. He never spoke, he
part of the story related to him
by people with whom he has to
do. He is still 33.

ALL DAY LONGER was seen, as the
... "Easter" "Cep. p. 101" of

the Cabaret where much of the musical's action takes place, symbolizing the gaudy & bauchary of the time in which people tried to forget the evil things that were happening. It is with epitomized the smirking master of the decadent retails and satirical setting, in the setting, a richly un-fil welcome to the night club's life, in three languages.

Glenn Wilson was seen as a faraway, gentle man. Brother Shaffner, travel agent and man of the night.

Additional cast members included; Michael Allen, Anna Baran, Jean Blagg, Carla Fargnoli, Karen Gross, Laura Hanson, Marc Holmes, Melissa Manning, Tony Martinelli, Gary Province, Heidi Shaffer, Brent Walker, Christy Wright and if you wish her son to appear in as Miss Lynch in "Grease", the drunk in "Guys and Dolls", and Aunt Ephie in "Auntie Mame". Miss Wojtyla created yet another memorable role as "Frankie's Girl". Robert Brown is assistant stage director, Alecia Duke, Dawn Henrick, Eugene Russell and Laura Tardiff are production assistants. I have been thinking about the time I spent
 with you all in the summer of 1968. It was a
 very special time for me. I was just a high
 school senior and you were all just starting
 college. I was so happy to be with you all
 and to see you all grow up. I hope you all
 are doing well and happy. I hope you all
 are still friends. I hope you all are still
 together. I hope you all are still happy.
 I hope you all are still in love. I hope
 you all are still together. I hope you all
 are still happy. I hope you all are still

Brenda, We've definitely been through a lot these past years I'm glad that we've gotten to be so close because I think we have a special friendship. It's really hard to find a friend who accepts you for who you are and demands no more from less. It means a lot to me that we respect each other's views religious and political. I love you because you're the best for you and your family because you've sacrificed so much for us. You are a beautiful person and don't you ever forget how much you really mean to me. I just wanted you to know that I'll always care about you ... NO MATTER WHAT!.

In Our Faith, 1983, We all have our own separate paths to take, But we all have our own dreams to weave. Our own special talents to use. We all have our own kind of life to pursue. Our own kind of dreams to be weaving. And we all have the power to make our wishes come true. As long as we keep on believing. May you always reach your dreams. May you reach for the highest star. May you make the most of every day. And find the true "you" that you are! I thought I'd take this time to wish

The Students At Chulalongkraj High School With great appreciation, thank you for your position. My three-year assignment as a teacher and my very good friend is grateful to thank you. Working at the high school even was quite an experience of football games, later on. I enjoyed and participated in the program as a success. I hope that you will be a good officer. And if you really enjoyed the position, thank you all and all. I have a great future.
